Caption:	@therealpeterlindbergh's work has meant more to me as a woman and artist than I can say. My whole language of iconography has been shaped by him: images of women connected to their intelligence and emotion, their power and sensuality, images of deep romance and exquisite, often raw - yet always kind - simplicity. I had the honor and pleasure of working with Peter when I was a Lancôme spokeswoman. He was an extraordinary talent and a delightful, tender, big hearted man. I am so sorry to hear of his passing and send all my sympathies to his family x
