Couple years ago we started working together to bring a healthy alternative to sports drinks and what a rewarding journey it's been!! To be the best version of you that you can be, you have to start with what you put in your body... |

| Caption: | So thankful to the city of Houston for all your generosity and kindness toward my family and me these past few years! I'm truly blessed to have amazing fans who continue to support me throughout my career. I'm excited to be joining @okcthunder next season and for this new opportunity to compete alongside my Thunder teammates. I started my NBA career playing in Oklahoma City with the New Orleans Hornets and I look forward to returning! |
